<b>WEIGHT</b>	~500 Kg
<b>ACCESSORY</b>	Washing Gun

Jetalp towable type drain opening machine has a lightweight structure with its polyethylene body and water tank. The 550 lt large water tank allows working in locations where water sources are not accessible. Water can be added during work with the 35-meter supply hose. Thanks to the integrated tool cabinet on the tank, you can keep all the equipment you may need with you.
